

## International strategy and alliance building meeting for democratic ownership of public services

6th December 2019

Time : 10AM-3PM

Audience: estimated 70-80 people

Venue: Flat Hart vd K, Adress: Kieverink 73 (the same neighbourhood as the international conference)

**Objectives:** After the two days international conference, this meeting aims to:

- present relevant action-oriented initiatives
- discuss collaborative research and campaigns as a follow up to the conference
- identify synergies, upcoming opportunities and define our joint political calendar

### PROPOSED AGENDA

10.00 Welcome words and introduction to the structure of the strategy meeting (Xavi Ferrer and others from the facilitation group)

10.15 Opening panel

- Housing for all - mobilisation for the European Citizen Initiative (Iris Strutzmann and Heidrun Maier)
- 'Cities versus multinationals' - upcoming publication and related campaigns (Olivier Petitjean, Observatoire des multinationales)
- Rolling back EU obstacles to municipalist public procurement policies (Olivier Hoedeman, Corporate Europe Observatory)
- Transformative pathways – the future of public services in Croatia and around the world (Vedran Horvat, Institute for Political Ecology)
- Launching a municipalist observatory (Laura Rot and Elia Gran)
- Preparing for radical change towards public ownership of the economy in The UK (Mathew Lawrence tbc)

Round of discussion about these and other initiatives

11.45 – 13.00 Working groups

13.00 – 13.45 Lunch

13.45 – 15 Plenary with report backs from the groups and discussion about next steps
